Subject: Decrease in Freight Fuel Surcharge - effective 3/2/2009

Due to the declining price of diesel fuel, Firestone is pleased to announce a \$25.00 per truckload fuel surcharge decrease. Therefore, effective Monday, March 2, 2009 Firestone's new fuel surcharge will be reduced to \$100.00 per truckload.

As always, thanks for your support of Firestone Specialty Products and please do not hesitate to contact your local Firestone Sales Representative if you have any questions.

Sincerely,

Mark Munley
Vice President - Sales & Marketing
